Currently valid Corona regulations

Winter semester 2020 / 2021

Please note:

The following regulations are in accordance with the currently valid rules of KIT (December 2020).

Please check the validity one day before the exam on the KIT homepage. In case of changes, we will also publish them on Ilias.

General regulations

- Use of a mouth/nose protection (non-medical community mask, scarf, etc.) is urgently recommended to students when entering and leaving the examination room. While writing the examination, the mask may be put off.
- Students must keep the minimum distance of 1.5 m before, during and after the exam. Please regard to this measure of safety when entering and leaving the room as well as when waiting or using the bathrooms.
- Do not pass other students within a row. Every seat can be reached from the main walkways directly. Please refer to the allocation of seats and chart of the room provided in Ilias.
- Students (examinees) are not permitted to assemble in front of the lecture hall or in front of the building before or after the examination. After the examination, they must leave the building separately and to go away quickly.
- If you need to use the restroom during the exam, please indicate so
- Instructions given by the supervisors must be obeyed.

Currently valid Corona regulations

Winter semester 2020 / 2021

Before the exam

- Students must sign the “Declaration on the Absence of a Suspected Corona Virus Infection” (see PDF in Ilias) and bring it along for the examination. Please put the Declaration on the table in front of you during the exam.
- The task sheets will be provided in envelopes in advance and distributed on the tables. Do not take out the exam before being told to do so!
- Upon arrival at the building and before entering the lecture hall, examinees are requested to wash their hands thoroughly. Please keep your distance to other people while doing so.
- Do not pass other students within a row. Every seat can be reached from the main walkways directly. Please refer to the allocation of seats and chart of the room provided in Ilias.
- Please place your jackets and bags far away from you within your row. Handling of personal belongings other than the auxiliaries allowed raises reasonable suspicions of an attempt to cheat.

Winter semester 2020 / 2021

After the exam

- After the written examination, the task sheets must be put back in the envelope. Please do not shut the envelopes.
- The envelopes are to be thrown into one of the boxes available with the distancing requirements being observed.
- Students must keep the minimum distance of 1.5 m before, during and after the exam. Please regard to this measure of safety when waiting as well as entering and leaving the room.
- Students (examinees) are not permitted to assemble in front of the lecture hall or in front of the building before or after the examination. After the examination, they must leave the building separately and to go away quickly.
